Raffle Tickets for the Lowrance I-Way are due at this meeting. Please bring all sold tickets stubs to the meeting. We will be drawing the winner.

New Club rosters are due by April 6, 2008 in order to be eligible to fish our State Championship tournament this year.

Don't forget the President's Rodeo happens right after the meeting. Bring your President or if you are bring another officer or member of your club and fish. The winners carry the traveling trophy for a year. Stay around and fish the Spring Fling on Sunday. We will weigh your fish separate if you use the Spring Fling as a club tournament and we will let you choose your best to use for tournament weight.

The hall will open at 8:00 a.m. Let's get roster updates and raffle tickets turned in early so we can get out to fish the President's Rodeo. Bring an extra \$20.00 to throw in the pot. Have a safe trip!

Jim Zieger
