

TRITON BOAT BID 2008

The Board of Director's of the Missouri B.A.S.S. Federation Nation decided to offer the following program to their members after the meeting held on April 5, 2008.

This program is available to the Missouri BASS Federation Nation once again because we have entered into a three-year contract with the BASS Federation Nation Alliance. The Alliance program includes Triton Boats, Mercury, Motorguide, Optima Batteries and Lowrance. The Missouri BASS Federation Nation can purchase one boat per year at 50% off MSRP. Delivery, Dealer Prep and Grow charges are extra. The boat must be a TR20X or larger. An example on a winning bidder's cost is listed below on a package. All upgrades to this unit would also be at 50% off.

This year's boat will be offered to current "members only" in the form of a sealed bid once again. The deadline for bids is June 7, 2008 at the Board Meeting. After that it will be open to public bid. Anyone that is interested in bidding on the boat "certificate" must send a sealed bid to Jim Zieger no later than June 7, 2008. After the highest bid is found that person will be contacted. They will have to make arrangements for payment to be made upon delivery. A wire transfer will be preferred.

Bid Requirements:

1. Member must be in good standing with the Missouri B.A.S.S. Federation Nation
2. A minimum bid of \$7,000.00 over cost will be required
3. Include name, address, phone numbers and Club name on your bid
4. Only one bid per member will be accepted
5. Payment must be received prior to pick up of boat. Proof of financing eligibility will be required prior to ordering.

Send bids to:

Boat Specifications Example:

- 1) Triton TR20XHPDC Dual Console Boat
- 2) Mercury 225 H.P. Pro XS Engine
- 3) 82# Motorguide Trolling Motor
- 4) Lowrance 520C In Dash, X135 in Bow
- 5) 3 Batteries
- 6) Propellers
- 7) Color Choice
- 8) Shipped to Pro's Choice Marine
- 9) Dealer Prep and Grow boating charges

M.S.R.P	\$51,244.00
Average Sell Price	\$48,000.00
Missouri BASS Federation Nation Cost:	\$27,307.00
Minimum Bid Over Cost:	\$7,000.00
Winning Bidder Cost less Tax:	\$34,307.00

The same boat in an X2 model with a 250 Pro XS would only raise the price \$2,000.00 since we get it at 50% off.

Again, you are bidding \$7,000.00 or more to purchase a certificate from MO BASS to get the Triton Boat of your choice. It will be a 2008 model and lead-time is currently 6 weeks on an X boat and 10-12 weeks on an X2 boat.

If you are interested to learn more about this program talk to your Club Director or contact me at President@mobass.com. Good luck bidding!
