Other New Business		Directors

INFORMATION

New Member additions are due by this meeting in order to be eligible to fish our State Championship tournament this year.

We will be voting on the proposed State Championship Rule change allowing clubs to send 80% of their entire roster to fish the State Championship every year. If passed the rule would go into effect starting with the 2012 season.

Stay around and fish the Summer Sizzler on Sunday. Remember that this is a benefit tournament for the Children's Miracle Network. Participation has been down the last couple of years so let's turn it around this year.

Don Corkran the Director of the B.A.S.S. Federation Nation will be a guest at this meeting and will be discussing and giving an update the B.A.S.S. Federation Nation.

The Warsaw Shrine Club is approximately 3 miles south on Wildcat Drive off 65 Highway. Get off at the White Branch exit go east and turn south on Wildcat Drive.

Have a safe trip!

Jim Zieger
