

Gary Nesty, O.D. is pleased to announce that Solar Bat Sunglasses has partnered with BASS Elite pros Jordan and Matt Lee to design and market a signature series of performance polarized fishing sunglasses. Dr. Nesty owner and CEO states, "Solar Bat is extremely pleased to be partnering with Jordan and Matt Lee to design and develop a line of performance sunglasses. I believe Matt and Jordan have already established themselves as outstanding competitors and their star status in the bass fishing world will mount as they gain experience. Their accomplishments to date are impressive to say the least. We already have design work completed and are ready to debut the new line for Christmas sales. The line will be available in 7 different performance tints and a number of frame styles."

Matt Lee states, "We are happy to be associated with a cutting edge performance fishing sunglass company like Solar Bat. We have already designed some great products and are excited to be wearing the new sunglasses on the 2015 BASS Elite Series."

Jordan Lee states, " Great to be working with Dr. Nesty and the staff at Solar Bat. It is exciting to be working with a sunglass company owner who also is a tournament fisherman and dedicated to designing sunglasses that will do what a fisherman needs."

You can soon view the new Jordan and Matt Lee signature series Solar Bat sunglasses at www.solarbat.com/collections/jordan-and-matt-lee-signature-series.

FITTING GUIDE: AVERAGE TO LARGE FIT and AVERAGE NOSE

Jordan Lee Signature Series 1006 has lenses that wrap around your eyes to maximize peripheral vision and wide temples to block the elements from all angles. PNVX optics will improve your vision in the field and the lenses will protect your eyes from injury. Temples feature a metal Solar Bat Signature and the Jordan Lee signature on the inside of the temple.
