**INFORMATION**

**NOTE LOCATION OF MEETING!!!**

New Club Rosters and money is due by April 13, 2019 in order to be eligible to fish our State Championship tournament this year. Individual members can be added up until the June meeting. Your club must also be current with the BASS Nation by this meeting.

Don't forget the President's Rodeo happens right after the meeting. Bring your President or if you are bring another officer or member of your club and fish. The winners carry the traveling trophy for a year. Stay around and fish the Spring Fling on Sunday. This year we "will not" weigh your fish separate if you use the Spring Fling as a club tournament.

The Church will open at 8:00 a.m. with breakfast available to purchase for only \$8.00. Tips will be appreciated. Well worth \$10 for the breakfast. Those that came to the meeting last year remember how good it was and money goes to the Church. Please come early and support.

Let's get roster updates turned in early so we can get out fishing the President's Rodeo.

The President's Rodeo will launch and weigh in at the **Harbor Ramp** this year. There are 2 small tournaments out of Hermitage State Park so other than local traffic we have the whole ramp to ourselves this year.

Bring an extra \$20.00 per man or woman to throw in the pot. It could be a good afternoon for one boat. If your partner is on the water have them come to the ramp to pick you up and get their live well checked before fishing the Presidents Rodeo. Have them meet you at the Harbor ramp after the meeting and we will check livewells.

Bring soft plastics new or used for the recycling program and give to Robert.

We have the new MO BASS decals for sale.

I will have **500** pair of MO BASS Solar Bat Sunglasses that you can purchase and sell for fundraising. These are very nice and have MO BASS decals on both sides of the frames. There are 4 different lenses available. Club Cost \$15 Polarized G15 or Brown Lenses or \$16 for Brown Green Gradient Mirror or Blue Gradient Mirror Lenses. I have 100 each of the non-mirror and 150 each of the mirror.

Have a safe trip!

Jim Zieger
