INFORMATION

Raffle Tickets for the 2014 MO BASS RAFFLE were passed out at the last meeting. We will be drawing the winners at the Summer Sizzler in July. Tickets will be \$5.00 each with only 1,000 being sold. The proceeds will be used to buy product for the 2014 State Championship. Bring sold tickets and money to the meeting. I have a few hundred more that need to get sold before the next meeting.

New Club Rosters and money is due by April 05, 2014 in order to be eligible to fish our State Championship tournament this year. Individual members can be added up until the July meeting. Your club must also be current with the BASS Nation by this meeting.

Don't forget the President's Rodeo happens right after the meeting. Bring your President or if you are bring another officer or member of your club and fish. The winners carry the traveling trophy for a year. Stay around and fish the Spring Fling on Sunday. This year we "will not" weigh your fish separate if you use the Spring Fling as a club tournament.

The restaurant will open at 7:30 a.m. with a breakfast buffet available. Please support the marina by attending. They are giving us the meeting area for no charge. At least 25-30 of you said that you would eat breakfast when I asked for a show of hands at the January meeting. They are planning on that many and can accommodate more.

Let's get roster updates turned in early so we can get out fishing the President's Rodeo.

Bring an extra \$20.00 per man or woman to throw in the pot. It could be a good afternoon for one boat. Live well checks and launch will take place at the marina at the Harbor/Lighthouse upon conclusion of the meeting. If your partner is on the water have them come to the marina to pick you up and get their live well checked before fishing the Presidents Rodeo.

Have a safe trip!

Jim Zieger
