INFORMATION

This is the last meeting of the year and clubs that have not met the meeting requirements are not eligible to participate in the State Championship this year. If a club wishes to they can petition the Board and state the reasons they have not met their attendance requirements. Reinstatement is subject to a two-thirds vote of approval by the Directors.

State team packets are due by this meeting. Get there a little early to turn in. We can get in at 8:00 a.m.

I will have some extra Live Target Baits from last year available for you to purchase at this meeting. They are \$5.00 each.

We will also be voting on the proposal that was brought up at the last meeting to have the Central Regional Team Members pay their individual entry fee. This should allow for plenty of expense money and allow us not to have to use General Fund money to support the team.

Have a Safe Trip
Jim Zieger
