**INFORMATION**

**Note: This meeting facility is located just off Hwy 65 in Warsaw. Look for the Water Tower and you are there.**

Bring used plastics to the meeting if you have any!

New Member additions are due by this meeting in order to be eligible to fish our State Championship tournament this year.

Raffle tickets and money are due at this meeting. The success of this fundraiser will determine how much we can spend with Lowrance and Mercury for State Championship Attendance Prizes. If you cannot attend get the tickets and money to someone to turn in.

Stay around and fish the Summer Sizzler on Sunday. Remember that this is a benefit tournament for the Children's Miracle Network. Participation has been down the last couple of years so let's turn it around this year.

Have a safe trip!  
Jim Zieger
